Our Promise:

We will restore families, support caring relatives, connect children with loving homes, and prepare adolescents for adulthood.

Our Goal:

Community Partnership for Children is called upon to help children who have been abused or neglected. Today there are over 1,400 children who need our help. Our caring team works toward finding short-term housing for these children, assessing their individual situation, teaming them with a Case Manager, creating a Plan of Care, and transitioning them into a safe, loving, permanent home -- whether it be with immediate family, relatives, a guardian, licensed foster care, or an independent living home.

Our Mission:

The mission of Community Partnership for Children is to design, implement, and manage a quality child protection system for the citizens of Volusia, Flagler and Putnam Counties.

Services

Program of Care: Case Management

Our professional Case Management team is committed to providing the highest quality of care to all children and families we serve. Case Managers join with our local partner providers in the social services community to ensure each child's success through the Plan of Care.

Foster Care

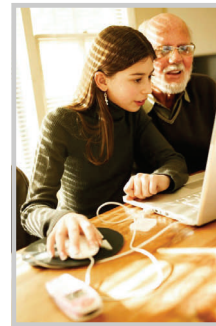

Foster parents serve as caring community partners to provide a safe and loving home for children in need. Foster parents join in partnership with children, birth families, and Community Partnership for Children to develop and carry out plans for permanency.

Adoption

There are many resources available to those considering adopting a child from foster care. Visit CommunityPartnershipForChildren.org to learn about the children who are waiting to find a permanent, loving home.

Mentor Program

The Mentorship Program works with the young adults aging out of foster care. These youth are teamed with a supportive community volunteer to help them transition into adulthood and independency.

Mentors spend quality time each week with their youth doing fun, extra-curricular activities.

Learn about these and other services by visiting our website CommunityPartnershipForChildren.org.
