THE YEAR IN REVIEW

Community Partnership for Children

protecting children . . . fostering family stability

A MESSAGE FROM OUR CEO

ABOUT US

Community Partnership for Children serves over _____ children in need in Volusia, Flagler, and Putnam Counties each day. The agency partners with several local contracted providers to deliver a full array of quality services to children and families. Services include family preservation services, case management, foster care, many therapeutic services, adoption, and mentoring. Our primary goal is to ensure the protection of each child that we serve and foster a stable family environment for them.

It is through the efforts and involvement of the community that we are able to keep children safe and build strong families. Our robust community-based network also includes the partnership and support of other stakeholders including the Department of Children and Families, county governments, the faith based community, local businesses, volunteer mentors, foster parents, the Center for Business Excellence, and the Community Alliance.

The mission of Community Partnership for Children is to design, implement, and manage a quality child protection system for the citizens of Volusia, Flagler, and Putnam Counties.

Our service delivery system will achieve excellence in providing quality services that assure the safety, well-being, and life permanency of children, and the stability of families. We will foster community investment in the lives of children and families by not only participating in, but also being a catalyst of, community partnerships in improving the lives of local children.
